Little Angels Rescue BG

Founded in 2010, Little Angels Rescue BG (formerly Colonel Angels) is a charitable foundation run by a small but dedicated team working to alleviate the stresses on the stray and owned dog population in Bulgaria. Our mission is to end the cycle of suffering of the dogs on the streets and to be a part of bringing about the necessary change in how dogs are perceived; not as vermin but as sentient beings whose companionship can improve lives. We are right on the front line! each year we rescue, rehabilitate and rehome hundreds of stray and abandoned dogs.

Ways to Fundraise

There are hundreds of ways you can raise money for us: from skydiving, football games, coffee mornings, and bake sales, to shaving your head, giving up smoking, Bingo and BBQ's, the only thing you need is an imagination and the Sky's the limit!

Whatever your skills and interests are you can plan an activity around them, hosting a murder mystery evening is a great social occasion and with a raffle or a collection box as well, it turns into a terrific and fun way to raise funds. Remember it doesn't have to be a huge and stressful event, making it fun is the key.

Perhaps you already have a market stall or hold a regular event anyway, by adding a little bit more, such as an auction item or two or guess the amounts of dog biscuits in a jar, it can help to raise funds for us with not much extra work.
